Your inquiry addressed to Gen. Walters has been referred to me since this office is responsible for administering the Summer Intern Program.

I have enclosed a Fact Sheet and Flyer on our Program for your review. You will note that the cut-off date for the receipt of applications was 1 January 1976. If you will be in graduate school next fall, please contact me in October of this year and I will be happy to send you application forms for the 1977 Summer Intern Program.

We appreciate your interest in the Agency and our Program, and thank you for the time and effort you took to write us.

Sincerely yours,
